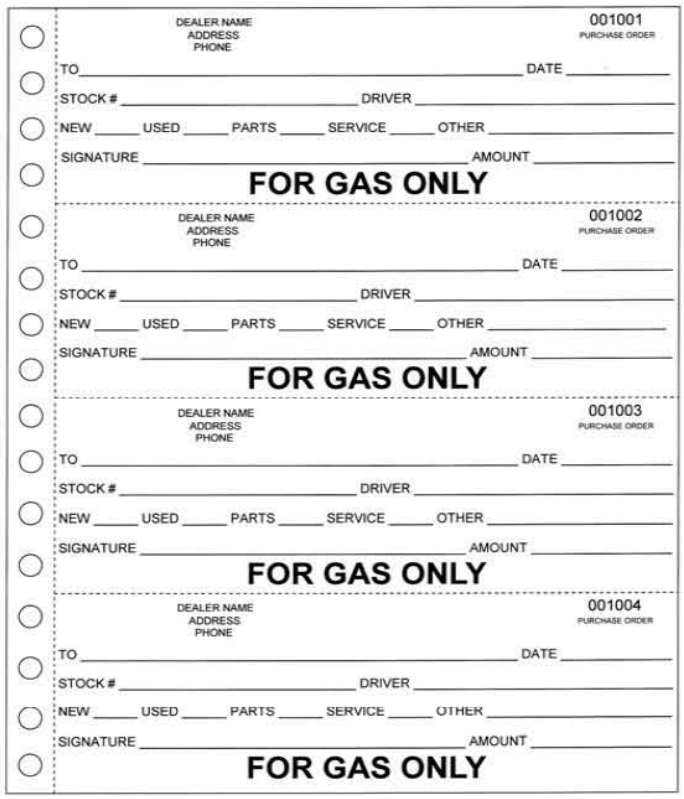
GAS PURCHASE ORDER/REQUISITION BOOKS

DFCWB-088



Help control your gasoline expenses!

These wire bound books will leave a written record of who, what and where all gasoline purchases were made for your dealership. They come 4 to a page in either 2 or 3 part forms. Whether you want all gas purchases to be pre-approved by management or you simply need a written record of all your gasoline purchases, these books will suit your needs. All books can be customized with your name and numbered to your specifications. There are 200 purchase orders per book.
